Do you want to be disgusting?

RECYCLE LANDFILL

55% of people in the UK recycle.

Recycling stops Pollution!

Do you really want these poor animals getting really sick?

Put your rubbish in the Recycling Bin!

RECYCLE!

Did you know there is only 5 years of landfill left!!!

RECYCLE MORE TO HELP THE PLANET!

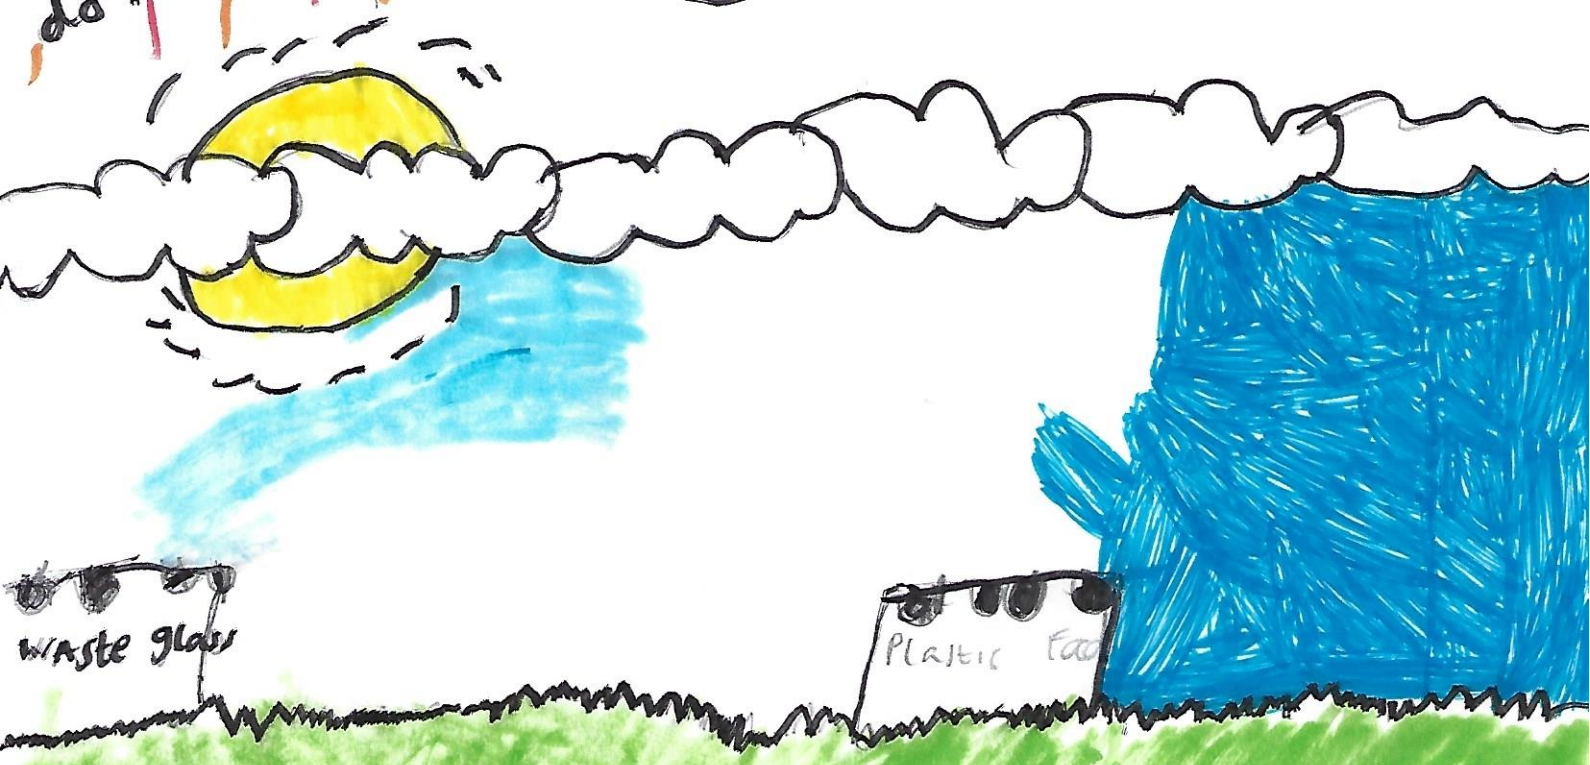

There's
an recycling
plant in
Britain
Ferry!

Recycling helps
the environment
by
saving
resources.

Why
are
you
recycling
do it
now!

There's
only
5 years
left
of
landfill!

Do you pick UP Litter?

If you do, go to Briton
Ferry's recycling Centre!

Put your rubbish in the right
bin!

What it would look
like if you didn't go there!

What it would
look like if you
went there.

IT'S IN OUR HANDS

Recycling reduces landfill

Recycling saves resources

Recycling helps stop pollution

Recycling saves energy

Please Recycle

Do you know how to recycle

Please Recycle
More. Because
it goes to
landfill

we shall
Recycle
because
all the landfills
see animals
will be hurt.

PLEASE DO
NOT DO WHAT
THESE MONSTERS
ARE DOING ON
THIS SIDE.

If you don't try to be
better at recycling in 5
years the landfill UK will be
full. If it is full we will
start to pay a lot of
money to use other countries
landfills. Do you really want your
taxes to go to help you with
that much money?

PLEASE ALWAYS
do what these
monsters are doing
on this side to
save the planet.
Put your Recycle
in the Right bin.
